

This architectural drawing shows a cross-section of a building. The left side features a large open hall with a central staircase and two smaller rooms at the top. To the right of this hall are several smaller rooms, including what appears to be a kitchen or service area with a sink and stove, and a bathroom. A small entrance porch is located between the main hall and the right-side rooms. The entire plan is overlaid with a grid system labeled with letters A through F along the horizontal axis and numbers 1 through 5 along the vertical axis.
